

ENGINEERING PROJECT MANAGER

Central Auckland

THE OPPORTUNITY

Established in 2001, Urban Solutions has built a team of talented multi-disciplinary professionals with a culture of making things happen and a collective desire to create better places throughout New Zealand.

We are enjoying strong and sustained growth in our coastal, public open spaces and active transport portfolios and are seeking a skilled and professional Project Manager to join our project design and delivery consultancy. You will become an integral part of the team with a focus on managing and delivering a diverse range of public realm projects.

ABOUT YOU

The successful candidate will possess the following:-

- New Zealand recognised tertiary qualification in engineering.
- 5+ years experience in a consultancy environment.
- Ability to proficiently undertake construction supervision and site investigations.
- Ability to manage contractual obligations and prepare proposals for bids.
- Technical ability to prepare specifications, schedules and contract documentation.
- Good knowledge of Microsoft Project or equivalent programming tool.
- Strong interpersonal skills liaising with other professional consultants.
- Demonstrated project management skills in a range of project types and sizes on time and to budget.
- Manage technical investigations and subconsultant services.

WHAT WE OFFER

We are a supportive and forward-thinking company with opportunities for professional and personal development.

- We offer a highly competitive salary package.
- Career progression and training opportunities in our expanding company.
- Flexible working hours to enable our team to pursue their passions or raise a family.
- A vibrant and friendly office environment.
- An active social culture including our annual ski trip, gym membership, team lunches and Friday drinks.
- Support from our team of engineers, project managers, landscape architects, planners and specialists.
- Involvement in a diverse range of projects.

APPLY NOW

Take a look at our website www.urbansolutions.co.nz and then action this fantastic opportunity by sending your C.V. with a sample of your portfolio to Andrew at alay@urbansolutions.co.nz

TOGETHER WE CREATE BETTER PLACES
